

INVITATION

SCENARIO PLANNING FOR THE FUTURE OF THE PRIVATE HEALTH SECTOR

- WHERE: THE VENUE, MELROSE ARCH
- DATE: WEDNESDAY 19 JUNE 2024
- TIME: 09H00 - 15H30 (incl. lunch)
- REGISTRATION ESSENTIAL
- FREE OF CHARGE

You're invited to HFA's Scenario Planning Symposium! This essential event will equip those working in the private health industry with an understanding of the changes that may be expected over the coming years and how these changes may affect the country, the health sector, and medical scheme members. This symposium will explore strategies to navigate these scenarios, ensuring that you're prepared for the future.

THIS WILL BE A HYBRID EVENT – IN PERSON AND LIVESTREAMED VIA YOUTUBE

Topics:

- **Keynote Address:**
The likely legal challenges to the NHI Act
How long these legal challenges may take
Could the Act be repealed?
The process for bringing into force the various sections of the Act
- **The potential impact of the NHI Act on the country's economy**
- **An overview of BUSA's legal challenge to the NHI Act**
- **HMI recommendations:** How do we move forward in the context of the NHI Bill being signed into law?
- **The work of the HFA NHI Steercom**
- **The impact of the newly signed NHI Bill on health professionals in South Africa**
- **Can the Registrar be compelled to implement medical scheme reforms while the NHI is tied up in court?**
- **The way forward**
